

## PERFORMANCE GASKET SETS

Engine Pro has partnered with Fel-Pro to create an exclusive line of co-branded performance gasket sets. Engine Pro performance sets eliminate the waste that results from buying a typical full set, then buying specific performance gaskets and throwing duplicates away. These sets include all the major gaskets required, including Fel-Pro's performance head gaskets, valve cover gaskets, exhaust header gaskets, oil pan gaskets and rear main seal. These sets do not include valve stem seals and intake gaskets, allowing customers to specify their precise requirements.

- Top quality Fel-Pro performance
- Perma Torque® head gaskets
- Extra thick oil pan seal
- Fluoroelastomer rear main seal
- Blue Stripe® valve covers

## SILICONE GASKETS WITH STEEL SUPPORT CARRIER

Engine Pro silicone rubber gaskets for valve covers and oil pans are the perfect choice for performance engines. Each gasket (with the exception of #31-50504R) has a Steel Support Carrier which allows it to be removed and reinstalled without damaging the gasket. Stainless steel compression limiters prevent over tightening

- Molded silicone rubber construction with steel support carrier (except #31-50504R) which is molded silicone rubber with no carrier
- Made in USA by an O.E. and aftermarket supplier
- Steel compression limiters (except #31-50504R)
